

Xerris Bootcamp Series

# Welcome To The Cloud

ACCOLITE DIGITAL  
Transforming The Future, Now

## Welcome to the Cloud

# Boot Camp Agenda

1. Welcome to the Cloud
2. Introduction to Microservices
3. Introduction to AWS DynamoDB
4. Infrastructure As Code and Build Pipelines
5. Introduction to AWS SQS
6. Introduction to AWS SNS
7. Introduction to Test Automation
8. Test Automation with Mocks
9. Student Project

# What is the Cloud

## Amazon AWS

Amazon AWS, a subsidiary of Amazon proving customer with on-demand cloud computing services

AWS is the largest cloud provider in the world  
AWS Grows 17% annually.

AWS has the most services of all cloud providers.  
AWS has the largest community of customers and partners

AWS has the fastest pace of innovation

AWS has a proven operational model

# AWS Global Regions

AWS is global, having **REGIONS** all over the world.

A **REGION** is a physical data center in a separate geographical area

**REGIONS** consist of 2 or more

**AVAILABILITY ZONES**

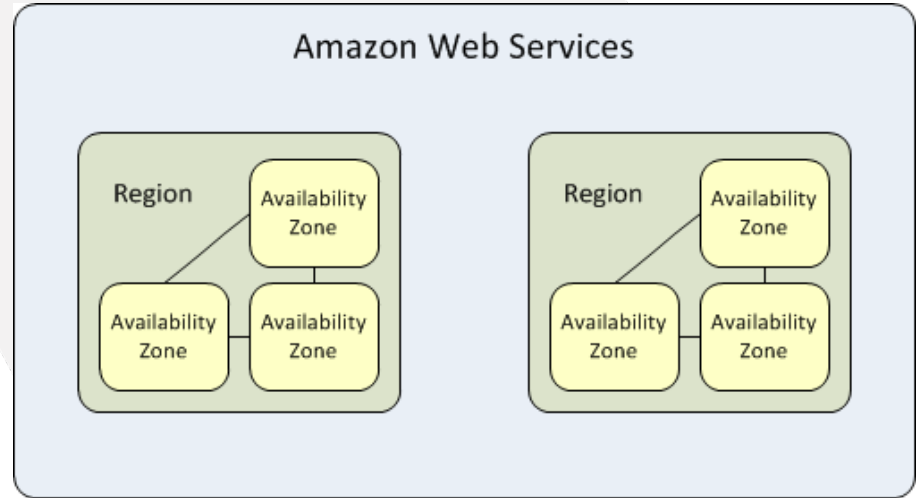

**AVAILABILITY ZONES** are physical data centers within that **REGION**

AWS is building a new region in

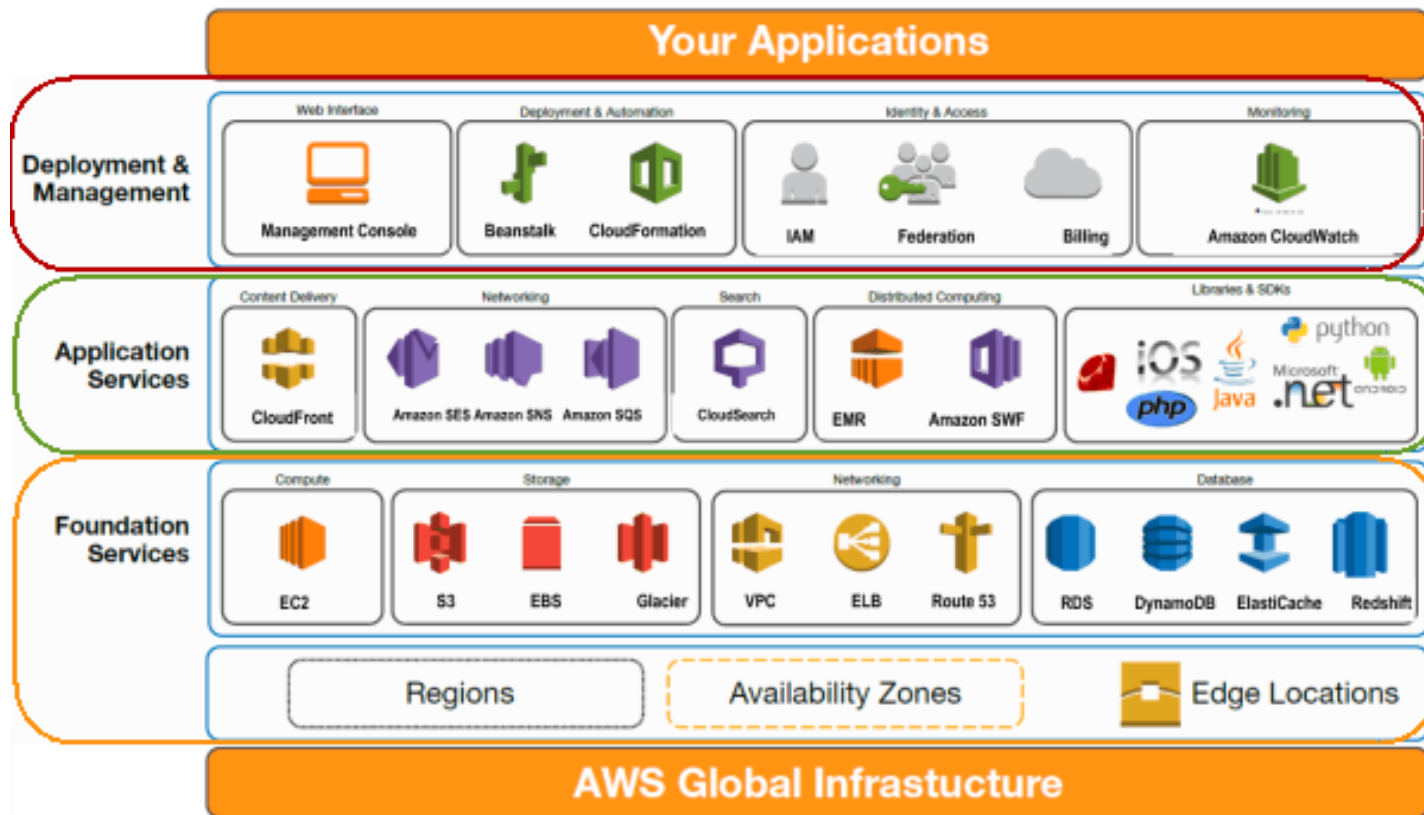

**CALGARY** in 2025, and **XERRIS** was mentioned in the announcement.

## Availability Zones

- **Regions** consist of multiple availability zones to provide high availability (HA)
- High Availability aims to meet an agreed level of operational performance, known as **UPTIME**.
- You provision your infrastructure and services over multiple AZs to prevent unplanned outages.

# Amazon AWS

## Availability Zones

AWS provides certifications for individuals who want to work in this field.
